## **Kurita Water Industries Announces Change of President and Representative Director**

Kurita Water Industries Ltd. today announced that its board of directors, when it met on April 28, 2011, informally approved the appointment of a new company president.

The associated changes in personnel appointments are expected to be formalized at the 75th annual meeting of shareholders scheduled for June 29, 2011, and the subsequent board meeting.

### **1. Reason for company president changeover**

To fulfill its corporate vision of becoming an advanced water and environmental management company, Kurita is currently working to expand its global operations and evolve its service businesses, two objectives of its current medium-term management plan, MP-11. Amid tumultuous change in the business environment in Japan and overseas, the new leadership structure will enable Kurita to further accelerate these efforts and develop its business with renewed energy.

### **2. Personnel changes**

Name	New position	Current position
Toshiyuki Nakai	President and Representative Director of Kurita Water Industries Ltd.	President and Representative Director of Kurita Engineering Co., Ltd.
Hiroshi Saito	Advisor to Kurita Water Industries Ltd.	President and Representative Director of Kurita Water Industries Ltd.
